About the Programme

The Certified Associate in Project Management (CAPM)® is PMI's entry-level certification, ideal for professionals and students who want to establish their project management credentials early in their career. CAPM validates your understanding of fundamental PM concepts, processes, and terminology as defined by the PMBOK® Guide.

EduEdge's CAPM programme is structured for early-career professionals and career-switchers. Our expert instructors break down complex PM concepts into actionable learning, giving you the confidence and knowledge to pass the CAPM exam and step into your first PM role.
