About the Programme

The SAFe Program Consultant (SPC) is an advanced credential that qualifies consultants and coaches to lead SAFe transformations and deliver official SAFe training courses. SPCs are the change agents who enable organisations to achieve business agility through the Scaled Agile Framework.

EduEdge's SAFe SPC programme is an immersive 4-day experience covering deep SAFe knowledge, facilitation skills, and transformation leadership. SPCs are authorised to train and certify others, making this the highest-value SAFe credential for consultants and coaches.
