About the Programme

The PMI Risk Management Professional (PMI-RMP)® is a specialist credential that validates expertise in risk identification, assessment, and response planning. As projects grow more complex, organisations rely on professionals who can proactively manage uncertainty and protect value.

EduEdge's PMI-RMP programme combines PMI's latest risk management framework with practical tools, templates, and real-world scenarios. You will graduate with the skills to lead risk management across any project type — from infrastructure to IT transformation.

WHY PMI-RMP®?		
PMI Globally Recognised Specialist Cert	High Demand Across All Industries	3 Yrs Certification Validity

What Makes EduEdge Different?

■ Exam-Focused Curriculum Every session maps directly to PMI-RMP exam objectives — zero wasted study time.	■■■ Expert Instructors Certified practitioners with real-world industry experience as your lead trainers.
■ Comprehensive Materials Curated notes, quick-reference guides, and access to an extensive question bank.	■ Mock Exams & Drills Multiple timed mock exams with detailed rationale to build exam-day confidence.
■ Live + On-Demand Attend live virtual sessions or learn at your pace with recorded access.	■ High Pass Rate Structured programme with mentorship resulting in strong first-attempt outcomes.
