About the Programme

The SAFe Lean Portfolio Management (LPM) certification equips portfolio leaders with the competencies needed to align strategy and execution using lean and agile principles. LPM covers participatory budgeting, portfolio Kanban, OKRs, and value stream management.

EduEdge's SAFe LPM programme is designed for executives, portfolio managers, and finance leaders who need to transform how their organisation funds, plans, and governs work at the portfolio level — replacing traditional project-based funding with product-focused flow.
