About the Programme

The SAFe Practitioner (SP) certification is designed for individuals who are members of agile teams within a SAFe environment. It covers the skills needed to apply SAFe principles, execute iterations, and contribute to Agile Release Train events effectively.

EduEdge's SAFe SP programme is the perfect starting point for individual contributors — developers, testers, BAs — who work within SAFe-adopting organisations. Learn how your role fits into the bigger ART picture and maximise your contribution.
